I think our young officers should have varied experience and if not therefore in the Abkari branch I can see no objection. He has done very good work in the Excise Dept & let him have a chance in the Revenue Dept. Perhaps some other young & energetic officer being ~~has~~ appointed to take his place in the Excise Dept.

Mr. Dasappa has returned Subject after his examination. I asked him to see the Excise Commissioner & ~~asked~~ he told me that if he is sent to that department, he would be likely to have to remain in Bangalore for a month or so. He has to finish his equitation course, which he will be able to do easily in that case. May an order transferring him in place of Mr. Matham be passed? What has to be done with Mr. Matham has to be settled.

As there was some
thing remaining to
complete Mr Basappa's
probationary course,
he was not sent on
to Head Quarters, as it
was nearly settled he
should be. The question
of his posting has however
not been finally decided

I shall probably be

My dear Sir

The recent daily plague returns for Shimoga town have shewn you that the epidemic which had left the place has again started up. This is due to the people who were living in sheds, reoccupying their houses in the town owing to the severe cold of the season. This had been strictly prohibited but the offs: Civil surgeon

have either allowed the
occupation or failed
& the vigilance & exercise
my order. No doubt many
of the houses had been
dissinfected or otherwise
disinfected but that is
no reason for not enforcing
the order issued by me.
I cannot always remain
